Creativity is the Key

How Creative is our communication with our legislators? Do you just write a regular old letter?

Write a poem or a song, something that will catch their attention!

Jack and Jill went up the hill to protect our Country

Jack went down and broke his crown and Jill was right beside him

Now Jack and Jill both take a Pill and our Country should stand behind them!

Pass the Bill

Think outside the box! Bobbie Goldman the 22-23 Legislative Ambassador draws Cartoons that send a message!

Thank you for Your PACT Act Support

The senate passed the Sergeant First Class Heath Robinson Honoring our Promise to Address Comprehensive Toxics Act of 2022, known as the Honoring our PACT Act. This bill now heads to the president for signature.

Thank you to our VFW advocates from around the country who reached out to their senators urging them to support the final vote on this historic legislation. This legislative victory will help millions of toxic-exposed veterans receive the health care and services they and their families desperately need and deserve.
