❁ VFW Auxiliary Department of Missouri Membership ❁

As we begin an exciting new Auxiliary year, we're ready to continue growing, strengthening, and supporting our mission for veterans and their families. Let's kick off 2026–2027 with energy, teamwork, and a focus on membership success! Does your Auxiliary have what it takes to not just survive, but THRIVE!

- **Important Membership Update**

Please be sure that **all Auxiliaries are using the NEW membership application** for the 2026–2027 year. Using outdated applications can delay processing and create unnecessary issues—so double-check before submitting!

Dues Renewal Push – Let's Get Moving!

It's time to get those dues notices out and keep our members engaged and active! Bring your auxiliary dues to the convention to light your torch. I know that incoming President Anita will be honored to accept them.

FUN CHALLENGE ALERT!

The **first Auxiliary to text me a picture of you at the Post Office mailing your dues notices** will receive:

\$25.00 A special surprise gift

Let's make this fun, competitive, and effective—because getting those dues in early sets the tone for a strong year!

- **Remember:** Early renewals = stronger membership numbers. Personal effort = better results. Teamwork = SUCCESS

Together, we will continue to grow, retain, and support our amazing members.

Together we work. Together we recruit. Together we thrive.

Let's get this luau started for 2026–2027 to make this our strongest membership year yet!

P.S. Make plans now to **attend the Department Convention in June** at the Oasis in Springfield, MO, and learn more about our fun and exciting membership program—you won't want to miss it!

See ya soon. **Karen**
