INFORMATION SHEET

The Department of Missouri Veterans of Foreign Wars of the United States, together with our National organization are raising funds for the Defense POW/MIA Personal Accounting Agency (DPAA). This government agency recovers and identifies our Missing in Action personnel and ensures they are properly interned and returned to next of kin as appropriate.

Since World War II there remain almost 82,000 missing/unaccounted for U. S. Military Personnel.

Although the locations of some personnel are known or suspected, funding prevents all the recovery teams from being able to retrieve these heroes.

ALL PROCEEDS FROM THE “BRING THEM HOME” GOLF TOURNAMENT SCHEDULED FOR OCTOBER 9, 2026 AT THE COVE GOLF COURSE, LODGE OF FOUR SEASONS RESORT, LAKE OZARK, MISSOURI WILL GO TO DPAA TO BRING HOME AND IDENTIFY THE MISSING.

DPAA annually sends, and supports, approximately 133 recovery missions worldwide with the main focus in Europe and Southeast Asia. Due to sever budget cuts, the number of missions in 2026-2027 will be reduced by over 50%. These budget cuts also affect DPAA support and research personnel located in the United States. With recovery of our MIAs becoming harder due to reduced resources, weather and the passage of time-it is more important than ever to keep this mission on task.

The closure for the families, comrades and our Nation when we recover, return, identify and provide proper dignified services for these American's cannot be understated. Your support is greatly appreciated!
