---	---	---

WOW! Where has this year gone? It just flew by. Can you believe we have only 3 months of school left in this school year? How many things have you done for/with the youth in your area?

St. Patrick's Day is March 17th. How about holding a game day at the Post with games like cornhole, ring toss, balloon darts etc.?

Easter is coming up on March 31st Egg Hunts are a great way to have fun. Being held at the Post it is a safe place for the kids to come and have fun.

Books. Books. Books. Have you been going to the schools to read to them? How many books have you donated?

I have enjoyed reading all of the reports that have been submitted so far this year. You have done so many different things for the youth in your areas, and it has not gone unnoticed. That being said, keep reporting everything you have done. Make sure you fill out each area of the report. We are YOUTH ACTIVITIES so we should be putting in the report how many kids we have touched with our awesome program. Last day to report is April 15th. Please don't forget to have your chairman's name included in the reports.

I can say that this will be a very hard program to judge as you all have done so well in this. I'm very proud of this Department.
